NON-DISCRIMINATION POLICY

JCS admits students of any race, color, national or ethnic origin to all rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, athletic and other school-administered programs.

PAYMENT AND FINANCIAL POLICIES

1. Tuition is an annual financial commitment. To make tuition more affordable several payments plans are offered: Annual, Bi-annual and monthly. Monthly payments will be deducted through F.A.C.T.S. Tuition Management from your designated checking or savings account on the due date you select.
2. Any banking fees incurred by the school, due to non-sufficient funds, will be billed to the account of the party who presented the payment.
3. F.A.C.T.S. Tuition Management will collect a \$30 return payment fee and JCS will collect a \$25 late fee when a payment cannot be deducted because of non-sufficient funds in F.A.C.T.S.
4. Tuition and/or Fees of any kind that are 10 days or more past due will incur a \$50 late fee. The fee will be applied each month that the payment remains past due.
5. No statements or invoices are mailed except as a notification of a past due account. A record of your payment is provided through your FACTS account and your bank statement.
6. Jackson Christian School reserves the right to deny access to Parent's Web and may suspend participation in extra-curricular activities such as athletics when the student's financial obligation is thirty days past due, and reserves the right to dismiss any student whose financial obligation is two months or more past due. If a student is dismissed for any reason, or is withdrawn by the parents, it is understood that tuition is pro-rated monthly based on the 10-month school year (even if you have selected the 12-month plan). You will be charged a full month for any portion of a month that your student attends JCS. For those who pay in one full payment or two payments, any balance remaining will be refunded.
7. All payments must be current before a student's report card is released at the end of each grading period, including tuition, miscellaneous fees, library and other fines, etc. Graduation diplomas are issued upon completion of all financial obligations.
8. Any request for records and transcripts for students transferring to another school may not be granted until all financial obligations are paid and proper withdrawal forms are completed.
9. Students from families with past due accounts will lose priority for re-enrollment over new applicants.
10. Families are ineligible for student(s) re-enrollment for a new school year, if the current year financial account is past due after the June payment. Families who demonstrate a pattern of delinquency may become ineligible for the monthly payment option, requiring half payment or payment in full prior to the beginning of a subsequent year.
11. It is advised that families experiencing a temporary financial hardship contact the school for a consultation with the Business Office.

Jackson Christian School Cost Sheet

This Cost Sheet provides information about the admission process, costs, financial policies and information about cost reduction and financial aid. Please read the information carefully and feel free to contact our admissions office at 517-783-2658 with any questions.

NEW STUDENT ADMISSION PROCESS

Once you have completed all application forms, paid the enrollment fee and completed the interview, you will receive a letter regarding our admission decision. Our complete admission policies are printed in the Parent/Student Handbook. At the discretion of the principal, we may require grade placement testing. We will also arrange a financial appointment at which time the service fees, and if applicable, your first tuition payment is due. A Letter of Agreement confirming the amount of your tuition payment is provided during the financial appointment.

COST REDUCTION AND FINANCIAL AID OPPORTUNITIES TUITION REDUCTION INCENTIVE PROGRAM (T.R.I.P.)

Funds earned through the Tuition Reduction Incentive Program are totaled each February. TRIP funds can be used to reduce current, re-enrollment or next year's costs. Every family should request a TRIP information packet and enroll in the TRIP program. Some families earn more than \$1000 annually through TRIP.

REFERRAL CREDIT

Families who refer new families are eligible for a one-time tuition credit of \$200.00 for each new student referred, accepted and enrolled in K-12th grade. New families are asked if they were referred by a current family.

HOSTING A SMALL GROUP SCHOOL MEETING

JCS will provide a one-time hosting credit of \$150.00 for any family who hosts a qualifying, in-home meeting. Meetings are to inform interested families about the JCS experience while in the comfortable setting of a home. A qualifying meeting will be attended by at least two interested families with at least one new student enrollment as a result. This is in addition to the normal referral credit. Contact the Admission Office for more info, 783-2658.

FINANCIAL AID PROGRAM

Jackson Christian School realizes that some families do not have sufficient income to make Christian education possible. Because of our passion for the next generation, JCS offers financial aid. Applications are processed by an independent organization that provides a financial analysis report, which is used by the Financial Aid Committee. Applications are available at www.jacksonchristianschool.org under the Admissions link. **Families who need financial aid are strongly encouraged to apply.** Refer to the Financial Aid Policies and Guidelines for complete details and deadlines.
