Mission Statement

Equipping students to impact the world for Christ

Vision Statement

Jackson Christian School students will possess wisdom, knowledge and a Biblical worldview resulting in a lifestyle of Godly character, leadership, service, stewardship and worship.

Core Values

The Authority of Scripture: The Bible is inerrant and is the basis for all wisdom and truth, integral to academics, programs and activities. II Timothy 3: 15 - 17

The Priority of a Vibrant Relationship with Christ: All school personnel are expected to pursue, and all students are encouraged to pursue, a growing relationship with Christ. Colossians 2: 6-7

The God-Given Worth of Each Child: Each child is to be developed to his or her full spiritual, physical, intellectual and social potential. I Thessalonians 5:23, Luke 2:52

The Importance of Parents and Churches:

The school's role in educating and disciplining students is to support the primary responsibility of parents and churches. Deuteronomy 6:6-10, I Thessalonians 1:1-3

Competency of Staff: All staff is professional and proficient in their responsibilities and is committed to continuing development. Colossians 3:24, I Corinthians 10:31

Proper Stewardship of Resources: Finances, capital resources and supplies are to be handled with integrity, wisdom and accountability, to provide affordable tuition, fair compensation and fiscal stability. II Corinthians 8:20 - 21

Academic Excellence: Students will develop critical thinking, mastery of skills, and profound knowledge of content through challenging curriculum and instructional methods. Luke 2:40, II Timothy 2:2

Statement of Faith

1. We believe the Bible to be the inspired, infallible, inerrant, and authoritative, Word of God. *II Timothy 3:15, II Peter 1:21*
2. We believe there is one God, eternally existent in three persons, Father, Son, and Holy Spirit. *Genesis 1:1, Matthew 28:19, John 10:30*
3. We believe in the deity of Christ, *John 10:33*, His virgin birth, *Isaiah 7:14, Matthew 1:23*, His sinless life, *Hebrews 4:15, Hebrews 7:26*, His atoning death, burial and resurrection, *I Corinthians 15:3, Ephesians 1:7, John 11:25, I Corinthians 15:4*, His personal return in power and glory, *Acts 1:11, Revelation 19:11*.
4. We believe in the absolute necessity of regeneration by the Holy Spirit for salvation because of the exceeding sinfulness of human nature; and that men are justified on the single ground of faith in the shed blood of Christ and that only by God's grace and through faith alone are we saved. *John 3:16-19, John 5:24, Romans 3:23, Romans 5:8-9, Ephesians 2:8-9, Titus 3:5*
5. We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life. *Romans 8:13-14, I Corinthians 3:16, I Corinthians 6:19-20, Ephesians 4:30, Ephesians 5:18*.

Philosophy of Christian Education

"Beware lest any man spoil you through philosophy and vain deceit, after the tradition of men, after the rudiments of the world, and not after Christ."

Apostle Paul, Colossians 2:8

Education by its very nature teaches values. Teachers by their very nature, both intentionally and unintentionally pass on their opinions to their students. The Scriptures teach us that all society expresses a worldview (philosophy) that ignores God, and virtually all Christian thought. In our nation today, the media and the secular educators shape the majority of our national opinion.

Jackson Christian School is a haven where students are given the freedom to form their worldview in harmony with the teaching they discover in God's Word. God is on a mission to impart truth, knowledge, understanding, and wisdom into the minds and hearts of His children. He does this through the home, church, and the school.

We were originally created in God's image, enjoying His teachings and His teachings alone. However, we have fallen from that high and lofty position. We are now a fallen race living in a fallen world. God has chosen to leave His children in the world, yet we are not to let the world educate us that we might think like them, and act like them. We are to believe, behave, and teach in such a way that the world changes from its philosophies and embraces the teachings of Christ.

Right to Change Statement

JCS reserves the right to change its policies at anytime as the Board or administration deems to be in the best interest of the school and Royal Ministries, Inc.

Goals and Objectives

"Then they that feared the Lord spoke often one to another..." Malachi 3:16a

Communication is a way of life among God's children. This handbook is one of the methods in which we can work together in agreement for the glory of God, and the well being of your children.

Experience has taught us that perhaps the single most important factor for a child's success in a Christian school is the parent's motive for sending their children to us. It is our desire that parents understands that Jesus Christ is to be central in every aspect of a student's education. When Christ has this pre-eminence (Colossians 1:18) this, and this alone will positively influence the entire course of your child's life. If Christ is exalted in the home, as well as in your church, and you desire for Christ to be exalted in your child's education, then JCS is the school for you.

Christian education is crucial if the next generation is to prosper, for every generation is one generation from extinction. Therefore, we either educate or we will expire. God's Word calls out to us to gain knowledge, seek understanding, and grow in wisdom. God said many years ago, *"My people are destroyed for lack of knowledge."* (Hosea 4:16)

Jackson Christian School is committed to work closely with the home and the church to impart knowledge to children spiritually, academically, and socially.

"...that in all things He might have the pre-eminence." Colossians 1:18b

Just as the parents' motive for sending their children to a Christian school is vital, so also is the school's motive, or reason for being in existence. JCS exists because we believe that Jesus Christ is to be honored in every aspect of life, but most importantly is a student's education.

Student Goals and Objectives

"And that from a child thou hast known the Holy Scriptures, which are able to make thee wise unto salvation through faith which is in Christ Jesus."

II Timothy 3:15

Spiritual

1. To receive Jesus Christ as personal Savior and establish a lifelong personal relationship with Him.
2. To awake a realization that God has a plan and purpose for each child's life, and teach each child how to walk that lifelong path with his/her Creator.
3. To instill within each student the joy that accompanies living to be a blessing to others, and living to be his/her brother's keeper. This commission from God will lead to serving others either at home or on some foreign field.
4. To establish a lifelong love for learning and growing, with each child developing a hunger to be conformed to the image of Christ.

Academic

1. To incorporate God's truth from the Bible into all parts of the curriculum and to discover the satisfaction that results from being a lifelong learner.
2. To cultivate and enhance critical thinking skills, effective study habits, along with the ability to discern truth from error.
3. To build a worldview based on the eternal foundation of God's character and not on the ever-changing opinions of human wisdom apart from God.

Social

1. To learn to respond to God's unimaginable love by finding Him sufficient and satisfying above all other things in life.
2. To develop a deep sense of mercy, justice, and compassion towards all others, but especially towards those less fortunate than oneself.
3. To know oneself, and understand one's own strengths and limitations. To daily deal with the roots of bitterness and seek to live a life of joy.
4. To realize one's private life and moral character cannot be separated from one's duty towards God and others.

Physical

1. To develop self-discipline in one's lifestyle that honors the pattern of God's Word.
2. To understand that one's body is the dwelling place of the Holy Spirit and to yield to Him as an instrument in Christ's service.

6. Jackson Christian School admits students of any race, color, national or ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national or ethnic origin in the

administration of its educational policies, admissions policies, tuition assistance and loan programs, athletic or other school administrated programs.

7. Jackson Christian School's Biblical role is to work in conjunction with the home and the church to mold students to be Christ-like. On occasion, the atmosphere or conduct within a particular home may be counter to or in opposition to the Biblical lifestyle the school teaches. This includes, but it is not necessarily limited to, sexual immorality (Ephesians 5:1-3), homosexual orientation (Leviticus 20:13, Romans 1:27), threats, or inability to support the biblical principles of the school. The school reserves the right, within its sole discretion, to refuse admission of an applicant, to discontinue enrollment of a student, or suspend a student who: professes, practices, or promotes homosexual/bisexual activity; is sexually active; any female student who becomes pregnant; or, any male student who fathers a child.
8. Jackson Christian School is committed to working with parents and the local church to promote a lifestyle of Godly character in its students. As such, the school reserves the right, within its sole discretion, to refuse admission of an applicant, to discontinue enrollment of, or suspend students who move out of their family's home. However, the administration reserves the right to allow co-habitation under limited restrictions: where a student's safety at home has been shown to be in question; when a student is expelled from their home; or, the student's home is temporarily destroyed. Approval for the student to leave their home to take up residence in another home will be done with the parents, church, and administration's concurrence.

History of Jackson Christian School

Jackson Christian School began as Jackson Baptist School in the fall of 1972. The school started as a result of meetings between concerned parents and pastors. The pastors P. Anthony, C. Berry, B. Bishop, H. Hall, A. Jennings, L. Johnson, B. Mains, D. Peterson, and R. Taylor were the active participants in a pastor's fellowship, which led to JCS becoming a Christian School. Our school started with sixty-nine students in grades K-6, three full-time teachers, one part-time teacher, a secretary, and a part-time custodian. The beginning of JCS was a combination of vision for the future and conviction that children should be educated according to the standards of God's Word.

A board was elected from among the supporting churches and governed this ministry until the summer of 1980. A growing conviction that the school's needs would be better met under the leadership and direction of one local church led to a unanimous vote of the pastors fellowship to offer the JCS ministry to Cascades Baptist Church.

In the first few years, the school's classrooms were at various locations including Cascades Baptist Church, Rives Baptist Church and an old four-room school building on Murphy Street. In 1973, the 6th and 7th grades were added. Each year after that, an additional grade was added with the first graduating class receiving diplomas in 1978.

In 1980, the student population was 232 (K-12), with sixteen full-time faculty, two part-time teachers, and a support staff of four. Pastor Anthony Gould was instrumental in the leadership of the school. On November 27, 1984, Cascades Baptist Church voted to purchase two public schools from the Jackson Public School system. Harrington School was assigned to house our Elementary students and Ridgeway School became our High School. On December 7, 1984, the closing and purchase of the two buildings was finalized. With the help of the student body and a very large number of adults, we moved from the Murphy Street property (the former Woodworth Elementary School) to our two new facilities. On January 7, 1985 the first day of school was held at the new locations.

The 1990's led to a number of improvements in the school, including the construction of our gym in 1993. For several years, we rented the gyms of area public schools in order to participate in varsity athletics. The Junior High athletics used the small gym and spectators sat in folding chairs around the perimeter. After years of planning and praying, the gym became a reality. The first varsity game was played in January of 1993. In the years of 1998-99, it was decided the school could better meet the needs of the evangelical community if the school's name was changed to Jackson Christian School.

From 2000-2005 the school incorporated a series of improvements. A new Media Center was constructed in the High School. This involved all new bookcases, tables, and librarian's desk; plus the purchase of many computers to enhance our technology instruction. Both buildings were wired to accommodate computers, the Internet, and protection devices were installed. The Elementary playground and High School athletic field were also improved.

On July 1, 2004, the ownership of JCS was transferred from Cascades Baptist Church to Royal Ministries, Inc., a 501 (c) 3 non-profit created to own and operate the school. JCS is now an independent school, governed by a School Board.

In 2004, the school embraced the mission of "Equipping Students to Impact the World for Christ". The passion of the parents and leadership of JCS is to provide a continuing school where "Jesus Christ is pre-eminent in everything". Col 1:18
In 2006, JCS was fully accreditation, by both ACSI and NCA accrediting associations.

POLICIES

Attendance Policies

Excused/Unexcused Absences

An absence is excused if it occurs for one of the following reasons:

1. Personal illness should be verified by a phone call from a parent on the day of the absence or a note the next day when the student arrives at school.
2. Death in the family or a serious personal problem that can be verified by the parents.
3. Doctor or dental appointments that cannot be otherwise scheduled on non-school time.
4. Participation in a school-sponsored activity or a church-related activity that meets both the parents and Administrator's approval.
5. Juniors and seniors are allowed up to two days to visit colleges they may be considering.
6. Up to 5 vacation or family days per year will be granted without academic penalty if requested in writing or email 5 days in advance of the family outing or vacation. Requests should be directed directly to the building principal. A vacation that lasts more than 5 school days is extremely difficult for students and teachers to manage without serious academic consequences. If a parent requests more than 5 days, special approval must be obtained from the building principal. Parents should know that these kinds of requests can cause their students to receive lower grades due to lack of instructional time with teachers. In addition, parents and students are responsible to make up missed work through teacher contact and the use of Ren Web. Teachers may provide some work ahead of time if their normal preparation allows it. However, much of the missed work may have to be made up after the student returns.
7. The student is responsible for all missed work. The teacher will establish a deadline for make-up work. It is the purpose of JCS to be a grace-driven ministry, yet grace does not ignore excellence, grace promotes excellence.

There is a direct relationship between academic success and regular school attendance. Attendance is the responsibility of the student and parent or guardian. There is no fully beneficial substitute activity for a day's absence from school. Having this preceding statement in mind, we **urge** parents not to take their students out of school during regular session.

Reporting Procedures (upon returning to school after an absence)

1. For each occurrence of absenteeism, the student must bring in to the office, before going to their first class, a written excuse signed by the parent or guardian. The parent is responsible to see that the excuse is sent. A physician's note or verification is required if the student is absent longer than four consecutive school days.
2. **Normally, a student will have one school day for each day missed to complete the make-up work. It is the student's responsibility to find out what was assigned and collected during their absence.** When possible, assignments should be secured from a classmate on the day of the absence, to allow maximum time for completion.
3. For approved vacation days, full credit will be received if the work is handed in before the deadline. However, if the work is turned in late, the student will not receive full credit. If extended time is needed to makeup homework, tests, or quizzes, prior approval must have been granted before the deadline from each teacher.
4. Any student who is counted absent a full (or partial) day from school must first report to the school office to secure an admission pass to their first class.

Tardiness

It is essential that students learn habits of promptness and realize that frequent tardiness is cause for concern and corrective action. Tardiness is not a desirable quality, as it is disruptive and detrimental to the entire class.

First Hour Tardiness (arrival at school)

1. All students arriving late must check into the school office and receive a pass to their class.
2. Tardiness to school will be excused only by an appropriate explanation from a parent or other person responsible for the student.
3. Tardiness resulting from occasional difficulties with car pool and other private means of transportation may be deemed as an excused tardy. A pattern of tardiness for the above reason is unacceptable and will be counted as unexcused.

4. All other tardies, (such as oversleeping, etc.) will be unexcused. Grades on tests, quizzes, and other work in class missed during an unexcused tardy may be lowered.

Class Tardiness

1. Students who arrive to a class after the bell has rung are considered tardy unless accompanied by a note from the office or teacher.
2. Excessive tardiness to class will result in disciplinary action. Three unexcused tardies in any grading period is cause for detention. Continued tardies may result in suspension and a possible conference with parents.

Partial Day Absence

1. The parent or student must sign out at the school office before leaving the campus. The student can only sign themselves out with permission (note or call) from parent.
2. If a student (in an extra-curricular activity – such as athletics, Royal Players, band, choir) goes home from school early after being present any part of the day, he/she will become ineligible to participate in any after school or evening activity.
3. A student is ineligible to participate in any after school or evening extra-curricular activity if he/she arrives at school after 10:30 AM. Exceptions can be made for excused absences by administration (i.e. college day, funeral, doctor's appointment etc.) Students who are too ill to arrive on time are encouraged to stay home.
4. A student will be considered to be absent for one-half day if he/she is out of school for up to three hours during a full school day. If four or more hours are missed it will count as a full day's absence.

Credit Loses and Grade Retention

In order to receive a recommendation for credit in a course of study, a JCS secondary student (grades 6-12) must not exceed ten (10) absences in a semester. A student accumulating more than ten absences in a semester course shall not receive credit in that course unless the Administrator has granted an extension to that student. Parents will be notified when seven (7) days have accumulated and when the ten-day limit has been reached. After a review has been conducted, an extension may be given if a request is made to the Administrator and the absences are all considered legitimate.

Students who exceed ten (10) days of excused absences in a semester and have earned a passing grade in their class may have the opportunity to earn a credit recommendation by making up 45 minutes of time for each class absence during the semester. This make-up time will be scheduled outside of the student's regular day, in the afternoon, evening, or weekend at the arrangement of the Administrator. All make-up time must be completed before the grades are issued or the student will not receive a credit recommendation.

Student Discipline and Conduct

Jackson Christian School is a community of young Christian learners. A basic principle behind all behavioral expectations is that students will honor God and respect other people, their property, and their opportunities to learn. Anything that hinders learning is unacceptable. The purpose of a code of conduct is to develop a group unity so that each student might have the individual freedom to succeed in his/her educational experience. A commitment to success at JCS might mean that certain individual freedoms be given up so that our student body can function effectively.

Students are enrolled for one academic year at a time. The faculty and administration at the end of each year review students who establish a questionable behavioral record. JCS reserves the right to not invite a student to re-enroll for the following year if it believes the student to have educational or behavioral needs outside of the mission of the school.

JCS may discipline its students for infractions of behavioral expectations regardless of whether these occur on or off school grounds throughout the school year. All of a student's life constitutes his/her testimony and has an effect on other students.

If a student or parent is offended by the words or actions of a teacher or any school employee according to Matthew 18, he/she should first go to the teacher and share this with him/her. If, after consulting with the principal there is no reconciliation, they then should go together to counsel with the Superintendent. If after consulting with the Superintendent there is no reconciliation, they can petition the School Board to hear the complaint. The board reserves the right to not hear the complaint and default to the Superintendent's decision. If there is no reconciliation, they then should go together to counsel with the principal.

General Code of Conduct

1. Students must always be respectful of others' rights, property, and the authority of all teachers and staff members.
2. Students are to pass in the halls between classes and activities in a quiet, orderly manner. Horseplay, such as running, pushing, and yelling will not be tolerated.
3. Any school has a potential for minor distractions in the classrooms. Writing and passing notes, tossing objects, and playing with irrelevant objects will not be allowed. A violation of this will result in a reprimand. If the violation continues, the discipline or punishment will increase with severity.
4. Students must demonstrate respect for members of the opposite sex and are not permitted to engage in any public display of affection (holding hands, arms around each other, etc.). This includes school activities on or off campus.

5. Smoking, drinking alcoholic beverages, gambling, and the illegal use of drugs by anyone at any time will be grounds for suspension or expulsion from Jackson Christian School. This policy also includes off campus and non-school time.
6. Minor infractions of bullying and/or fighting will be dealt with at the teacher and administrator's discretion including the possibility of suspension. Major infractions of bullying and or fighting will result in a minimum of ten days suspension for the first offense. Should a second offense occur it would result in suspension for the remainder of the school year per review by the school board.
7. Students must use proper and respectful language with other students and teachers at all times.
8. Students found cheating on homework or tests will receive a zero or reduced grade at the discretion of the teacher. A second offense must be referred to the Administrator. Suspension from school may be issued at this time.
9. Student owned cell phones are not allowed in the classroom. Cell phones must be turned off and left in locker during regular school hours. Cell phones may be used with special permission only.
10. Student owned cell phones are allowed at school sponsored extracurricular events such as sporting events, fieldtrips, off-site events (such as SSI), etc. However, phones must be turned off at the event if requested by administration or the faculty in charge.
11. Electronic devices may be in your possession and used both before and after school hours. Students are solely responsible for the safe keeping of these devices and Jackson Christian School accepts no responsibility for this equipment. All material contained in these devices is subject to viewing at any time by school personnel. Parents allowing their students to bring electronic device should understand that material contained in them must meet all standards of the Parent Student Handbook.
12. Jackson Christian School requires all material whether audio or visual to be free from vulgarity, pornography, or other speech or visuals that would be offensive or outside of acceptable limits of decency. Students bringing material or possessing electronic devices containing material that does not meet the above requirements will be subject to discipline and the loss of this privilege.
13. Laptops may be used during classroom instruction to facilitate note taking only. Laptops may also be used when an instructor deems them a necessary part of a particular classes instruction.
14. School property is to be treated with respect and care. Deliberate damage such as writing or scratching on desks, walls, etc., will be disciplined. In addition, a fine will be assessed to cover the cost of repair.

15. Students are expected to be in their seats and prepared to start class when the bell rings.
16. Lockers are the property of JCS and are assigned to the students for their convenience. They are not the private property of the student. The school administration reserves the right to inspect a locker if a question arises, and to make a ruling on any decoration used within the locker.
17. Proper manners on school property include courtesy to all fellow classmates. Snowballs are not to be thrown on the school grounds.
18. Students whose attitudes and conduct (both in and out of school) are considered undesirable and in conflict with the basic principles and purposes of Jackson Christian School, will be subject to observation review and possible discipline.
19. The school administration reserves the right to make rulings on new fads and changes of style during the school year (pertaining to student dress) that is considered worldly by its appearance and unique to a un-Christ-like lifestyle.
20. Respect for authority is expected of all students at all times. Parents, grandparents, business professionals, and various school representatives often visit the campus often. We wish to maintain a positive, respectful testimony to all who visit our school. Students are the ones who will leave the most lasting impression.
21. Food and snacks from the vending machine or lunchroom are not allowed in the classrooms unless allowed by the teacher in charge.
22. Students who drive to school must enter the building upon arrival; they are not to socialize in the parking lot or within their cars.
23. Skateboarding is not permitted on school property unless authorized as an after-school club monitored by school personnel.
24. All medication (both prescription and non-prescription) must be taken to the office. It is recommended that the medication be given at home whenever possible. However, recognizing the necessity of some children to have medication while attending school, the following requirements must be observed to comply with school policy:
 - a. The prescription medication must be sent to school in a container, labeled with the name of the medication, the amount to be given, the time of the day to be taken, and expected duration that the medication is to be taken.
 - b. The physician's name and the STUDENT'S name must be on the label for prescription medication.
 - c. A note signed by a parent must accompany all prescription and non-prescription medication; with dates and times it is to be taken.

General Information

Bible

We encourage all students (1-12) to use a copy of the New King James Version Bible for class. These Bibles (paperback) can be purchased at school. It is acceptable to also use other versions of the Scripture for general course work, however, the NKJV is recommended. Our teachers are prepared to work with mainstream translations (i.e. NIV, RSV, and NASV). Bible teachers may require a specific version or translation for memorization.

Chapel

Chapel is the extension of our Bible classes. Chapels are scheduled to encourage spiritual development. Careful attention and respect should be given to the speaker whether the speaker is a student, faculty, minister or guest. Students are expected to bring their Bibles.

Technology Guidelines

Jackson Christian School endeavors to equip students with computer literacy and keyboarding skills to promote educational excellence. Computers and technology equipment will be available in the classrooms and media center. The purpose of this instruction is for communication, creative expression, skill acquisition, and problem-solving and information management. To help protect students from inappropriate information Jackson Christian School has in place an Internet filtering service. Each family will be provided with our technology policy and guidelines, upon enrollment, to be reviewed by parents and students. Families, who would like to handle their child's access differently, please contact the school office in writing.

Parent-Teacher Conferences

A formal parent-teacher conference is scheduled after the first marking period. Other parent-teacher conferences may be scheduled by calling the teacher... Parents should take the initiative to call the teacher if there are questions concerning their student's academics.

Lost and Found

The front office secretary is in charge of the lost and found articles. Students should check with her for lost articles. The physical education instructors will handle locker room and gym articles.

Closed Campus, Visitors

Students are to remain on campus from the time they arrive in the morning until after the last class of the day. Students attending other schools may not come on campus at any time and enter the building without advance special permission granted

by the Principal. Students may not go to the parking lot during the school day without special permission by the Principal or a teacher. All visitors must register in the school offices.

Inclement Weather, School-Closing Procedure

Jackson Christian School draws students from several surrounding communities. The weather pattern can vary a lot within our geographic area on a bad weather day. We will always attempt to be sensitive to the safety of those who drive to our schools from a distance, as well as locally.

Fog... can blanket a large area, or more commonly, isolated sections. Delaying the start of school does not work well for JCS because we rely solely on family transportation and car pools. Parents, use your own discretion if the problem exists in your area. A note will be accepted as excused if the weather in your area causes you to bring your child late to school.

Ice and Snow...Current information on both weather predictions and road conditions is reviewed by the school's administration. A decision is preferably made before 6:00 a.m. unless conditions are changing by the minute. Please do not call administration or teachers for school closing information. There are a number of methods used to notify families of closings or delays:

- 1) An informational message blast from the school to cell phones and land lines.
- 2) An informational message posted on the school's website.
- 3) An informational message will be broadcast to the following media channels:
 - a. WILX-TV -- Lansing Channel 10
 - b. WLAJ-TV -- Lansing/Jackson Channel 53
 - c. FOX 47 -TV

If a particular kind of hair style, garment, symbol, or footwear is not specifically described below, it is not considered to be dress code. Very tight or very loose clothing is outside of the dress code. The school reserves the right to disallow anything that it deems offensive or inappropriate, even though not specifically described in the dress code document.

Academic Information

Graduation Policy

Jackson Christian School does not allow for early graduation. We believe that the educational experience is not based solely on credits earned. It is our position that the senior year allows for needed growth, maturity, and spiritual development.

Graduation Requirements

1. A student who desires to graduate from Jackson Christian must earn a minimum of fifty-six semester credits from grades 9-12. Or:
54 credits + 1 JCS University Course
52 Credits + 2 JCS University Courses
50 Credits + 3 JCS University Courses
2. All students are required to earn one credit in Bible for each semester they attend Jackson Christian High School. In addition to classroom work, they must also complete their Christian/Community service requirements prior to the last day of each Semester to earn a Bible credit.
3. The cumulative GPA of the students determines valedictorian and salutatorian at the end of the second semester. To be eligible, students must attend a minimum of four semesters at JCHS. To be invited to speak at the graduation commencement, they must be a member of our National Honor Society, unless waived by a vote of the administration and faculty.
4. To be eligible for class ranking, students must attend a minimum of four semesters at JCHS.
5. Graduation before a student's final semester in their Senior year is not allowed.
6. All high school students must pass the following required core courses to graduate from Jackson Christian High School:

JCS University

Bible	4 years	8 credits	
English	4 years	8 credits	6 credits +Eng 104
History, Soc. St	3 years	6 credits	4 credits + Pol 214
Mathematics	4 years	8 credits	
Science	3 years	6 credits	
Physical Ed.	1 year	2 credits (or sports)	
Foreign Language	2 year	4 credits	
Computer Class	1 year	1 or 2 credits	
Visual, Performing	1 year	1 or 2 credits	
Total Core Classes:		42-46 credits	
General Electives:		10-14 credits	

Total Requirement: 56 credits or 50-56

Regarding Core Classes For All Students:

1. Physical education may be met by participating in two varsity or junior varsity sports from grades 9-12.
2. The senior Modern Literature class may count as English or Social Studies credit; whichever is needed, but not both.
3. To receive credit each year for English classes and as a graduation requirement, each student must read, write a report, and pass the Accelerated Reader test on two books from the required reading list. One of the required books will be part of the students' English or Literature class each year.
4. Each senior shall do a major thesis to qualify for graduation. The requirements, methods, and grading will be set by the teacher of the senior English class, including a minimum passing grade. A student must complete the thesis satisfactorily to receive any English credits for second semester of the senior year.
5. Two years of Drama may equal one year of English credits, if a conflict arises in scheduling.
6. Students may be allowed to withdraw from a class and enter another one without academic penalty, if it is done within two weeks of the beginning of the first semester and one within one week of the second semester. A parent, classroom teacher, and Principal must approve a drop/add form.
7. A student cannot gain an additional credit for a class that is retaken. If a student gains approval to do so by a teacher and administrator, the second grade will show on the transcript. High honors candidates (such as Valedictorian and Salutatorian) cannot refigure the second grade in their GPA to their advantage.
8. Junior and Senior students may be allowed to take one daily non-core class on a pass/fail basis with the approval of the classroom teacher and counselor. The purpose of taking a pass/fail class is to encourage students to take a difficult course and broaden their horizons without endangering their GPA. A "C-" or higher grade must be achieved to record a "P" in both marking periods, or the actual grade (which would be a "D+" or lower) would be recorded instead. If a student earns an "A" or "A-" in the course, he/she has the option of counting the grade towards his/her GPA.

Academic Probation

A student who fails two or more major subjects in a marking period will be placed on academic probation for the next marking period. During this time, the student may not participate in any extra-curricular activity.

Academic probation is a serious situation for the student. School time should be entirely used for study so that grades will improve to a passing level. Students who continue to fail two or more subjects at the end of the probation period may be asked to receive "special tutoring" or other help, either within or outside JCS. In some cases, students may be asked to withdraw from the school.

Remediation

Special arrangements for tutors for High School students can be made through the building principal.

Homework

Assignments can be expected daily for each class. It is the student's responsibility to find out what was assigned for homework if he/she missed class. Parents and students have the opportunity to check for homework assignments daily using Parentweb/Renweb. Teachers update their classroom information daily. Time is normally given at the end of each class period to begin the next day's homework. At JCS, we strive to minimize homework given for Wednesday evening since this is a church night for most families. An exception might be a long-term project coming due or a test scheduled for Thursday with several days notice to study in advance. Students who use their time diligently at school should not have to make a decision to stay home from their mid-week church activity in order to complete any class work.

Assignments given as homework are designed to develop initiative, response, and self-learning. Homework provides an opportunity to practice and apply concepts learned within the classroom. Any assignment must be turned in on time to receive a full grade.

Parents can help the students by providing a quiet, secluded place for study, and a regular time to be set aside for this important part of his/her schoolwork. If students use the time provided at school, the time needed at home will be correspondingly less. High school students will normally have more homework than younger students.

Exams and Semester Grades

All student 9-11th grades are required to take semester and final exams. Seniors who have earned at least an A- average are exempt from first semester exams. Seniors are exempt from taking second semester exams unless they are enrolled in a JCS University class. Final exams in every class will carry the weight of 20% of the total semester grade. Students taking a class pass/fail fall within the above requirements. Student's must be present the entire scheduled exam time.

Honor Roll

High school students are recognized in school publications for their earned merit each marking period. Those who earn all "A's" (High Honors) and those who earn all "A's" and "B's", (no "C's").

National Honor Society

The purpose of National Honor Society is to create enthusiasm for scholarship and learning, to stimulate a desire to serve others, provide leadership, and to develop character in the students of the school. To be eligible for membership a student must be a sophomore, junior, or senior class member. Candidates must have been attending our school the equivalent of one semester. The Faculty Council will consider students with a 3.3 GPA for membership. The Faculty Council will look over the student's application and pastoral recommendation form to insure compliance with the spiritual and social qualifications. Students meeting the standards will then be inducted into National Honor Society during the special ceremony held during the fall of the school year. When a senior student graduates with a minimum 3.3 G.P.A., he/she is eligible to graduate with honors, and will be recognized as such at our school's graduation commencement.

Dual Enrollment Policy

Dual enrollment for JCC and Spring Arbor University is available for juniors and seniors for afternoon classes. Information and application for these programs are available through the counseling office. The following are guidelines for dual enrollment:

1. Students must seek approval from high school administrator or school counselor.
2. Students may receive either college credit or high school credit.
3. High school credit will go towards elective hours.
4. College courses, outside JCS University, may not substitute required high school courses.
5. One college course equals one high school credit.
6. Dual enrollment does not permit early graduation.

Work CO-OP

Work CO-OP applications are only accepted for seniors who desire to attend school in the morning and work in the afternoon. Seniors are eligible to apply if they are within 12 credits of our graduation requirements at the beginning of their senior year, or within 6 credits at semester break. An employee verification form must be on file in school office.

JACKSON CHRISTIAN SCHOOL

MISSION STATEMENT

“Equipping students to impact the world for Christ”

Philosophy of Athletics

The philosophy of athletics at JCS is to provide a medium by which our students can glorify Jesus Christ through athletic competition. Athletics is an important and integral part of the JCS total educational program. Through our program, we strive to teach principles of maturity, courage, discipline, cooperation, commitment, sportsmanship, dependability, respect for others and grace and humility in victory or defeat.

The goals for the athletic teams can be summarized with the words: participation, skill development and winning as a group. The Middle School teams emphasize participation; Junior Varsity build on participation and further skill development; while the Varsity squads seek to build on participation and skill development to put together a winning unit.

Participation in Athletics

Students must understand that participation in any form of athletics at JCS is a privilege and not a student right. We desire wide student participation in our sports program. Every person related to our athletic teams is an automatic school representative. We desire only those who will accept this responsibility with character. Negative attitudes, actions and inadequate academics will immediately remove even the best of athletes from the JCS sports team. The administration reserves the right to determine a student's eligibility at any time.

Students and parents anticipating a change of schools should first seek advice from their high school administration.

School dress code will be the standard for dress for home and away games. This applies for all team members, managers and statisticians. Coaches may have specific requirements for team members and will address this issue in team meetings. The standard of dress applies both before and after games on road trips. Remember that you represent not only yourself but also the school, your team and the Lord Jesus Christ. We want to look as sharp as possible.

Attendance Regulations

1. All athletes are expected to be at all scheduled practices and contests. Any absence must be pre-arranged with the coach. It will be at the coach's discretion to determine acceptable reasons for missing practices or games. Unexcused absence from practice shall require disciplinary action. The severity of this discipline shall be at the discretion of the coach and staff. Absenteeism may affect the athletes standing/ position with the team.

Thon Day

Since the Thon is our major athletic fundraiser, all athletes are expected to participate.

Dual Sports

Not allowed for Middle School students

If a student wishes to participate in two sports simultaneously the following procedures must be followed.

1. Written permission from parents
2. A written statement from the student declaring which sport will be their primary sport.
3. Above statement signed by both coaches involved.

The student must honor their primary sport if any scheduling conflicts arise. Also, the student must realize their position within the team could be affected.

Transportation

Transportation to and from athletic events will be arranged by JCS. All athletes are expected to ride with the team. Transportation will be in school vehicles. On rare occasions, coaches will assign athletes to ride with selected - approved adult drivers in privately owned vehicles.

Athletes cannot ride with boyfriends or girlfriends to or from games.

In the event a parent would like to take an athlete home after an away contest, you, the parent, must go to the coach to inform him/her that your child will not be riding the bus home.

In the event a parent would like their student athlete to ride home with another adult after an away contest, a written request must be given to the coach.

In special situations, an athlete may drive their personal vehicle to a game ONLY if the game is near their home. No other athlete may ride in a private vehicle driven by another student. Permission must be given by the athletic director and the athletic director will inform the coach.

Schedules

All athletic schedules can be obtained at www.highschoolsports.net

General Training Rules

Each athlete is expected to maintain personal health habits that will insure the best physical and mental condition to participate in sports and represent the school in athletic competition. The interests of the team and the school should have highest priority. See Parent-Student Handbook for penalties involving use of alcohol, tobacco or illegal drugs. Coaches with specific sports may list rules particular to that sport.

Minimum Number of Practices

For the purpose of safety, a minimum number of five practices will be required for athletes prior to their first competition.

Team Tryouts and Cutting

All eligible students will be offered the opportunity to try out for an athletic team. Each sport has a starting date and there will be a minimum of three tryouts/practice before cuts are made. Cuts may be made only on the J.V. and Varsity levels.

Transportation Fee

A "transportation fee" for JCS athletes must be paid prior to the first contest of each sport. This fee helps cover transportation cost and will be set annually by the administration.

Withdrawal from a Sport

If a student wishes to withdraw from a sport the following procedures must be followed. (A student will be considered a participant after completing five practices).

1. An athlete must present a letter to the head coach from their parent/guardian requesting permission to withdraw from that sport.
2. This letter must be signed by the coach and presented to the athletic director for approval.
3. If this procedure is not followed within fourteen days, the athlete will not be eligible to participate in the next two seasons. The seasons are fall, winter and spring.

4. If an athlete withdraws from a team for any reason other than illness or injury, they will not be eligible for any honors earned while participating in that sport during that particular sport season.

Sportsmanship

All parents, coaches and athletes are expected to demonstrate nothing but the most appropriate sportsmanship at all athletic events.

JCS trusts that you will always respond in an encouraging, supportive way which will bring glory to the Lord, rather than reacting with words or actions which will bring dishonor upon Christ's name. Unsportsmanlike comments, actions or gestures to players, coaches, opponents or officials will not be tolerated.

As the saying goes "we may be the only Bible others read".

Men read and admire the gospel of Christ
With its love so unfailing and true;
But what do they say and what do they think
Of the gospel according to you.

Student Contract / Parents Contracts

Contracts must be signed by both student and parents. Contracts will be kept on file in the athletic office.

Parental/Coach Communication

Parents who have a concern that they wish to discuss with a coach, must arrange an appointment with the coach to voice their concern. Please do not approach a coach with a complaint or concern before, during or after a game. Please follow the principles found in Matthew 18 when voicing a complaint.

1. Talk directly with coach.
2. If concern is not resolved, request a meeting with coach and athletic director.

Student Contract

I, the undersigned, do agree to follow the policies stated in the Student/ Athlete Handbook and realize the commitment needed to participate in athletics here at JCS, so I commit myself to the athletic program and to my individual team.

I will perform the following duties in order to fulfill the contract and show my commitment to the team and to the school.

- A. Be at EVERY practice on time. The only excuse for missing is personal illness, a death in the family or pre-arranged absence. I will give the coach ample notification if I will be absent.
- B. The team will be my number one extra-curricular activity. When conflicts arise, I realize the team comes first.
- C. I will attempt to be ready mentally for every practice and every game.

If this contract is broken, the coach and athletic director will together decide, from the following options, as to the action taken with the athlete.

- 1. Dropped from the team
- 2. One or more game suspensions from the team
- 3. Dropped from the traveling squad
- 4. Sit out portions of the game
- 5. Public apologies to team and coaches
- 6. Any other action the coach and/or athletic director deems necessary

Middle School

MS Dress Code

Our desire at JCS is for all students to dress in a Christ-honoring manner. In order to accomplish this we expect all students to be clean, modest, and neat.

If a particular kind of hair style, garment, symbol, or footwear is not specifically described below, it is not considered to be dress code. Very tight or very loose clothing is outside of the dress code. The school reserves the right to disallow anything that it deems offensive or inappropriate, even though not specifically described in the dress code document.

Boys

Hair - Boys are to maintain their natural hair color. Hair must be neatly cut, off the collar and eyebrows, no longer than mid-ear. They are to be cleanly shaven daily, no mustaches or beards. Boys are to avoid extremes in hairstyles that are designed to attract attention.

Modest spiking, gelling, and styling are acceptable. The building principal reserves the right to determine which hairstyles will be allowed as styles change. If a hair style does not exist as generally acceptable, the student should seek approval from the building principal before attempting to wear that style at school.

Piercings/ Tattoos - Boys may not wear earrings, studs, or insert jewelry or anything else into any other piercing. Boys may not display tattoos. Tattoos must be covered with clothing or some other covering. We ask parents not to allow piercings or tattoos for their boys to avoid this as a point of contention between the student and school.

Shirts – Boys shall wear shirts with collars (flat or raised) and sleeves. Shirts with tails are to be tucked in (**NO T-SHIRTS**). **Students may wear shirts without** promotional slogans, large letters, large numbers, pictures, advertisements or sports team logos. However, small logos or pictures in good taste are acceptable.

Acceptable styles of shirts are as follows:

Polo

Collared shirts (flat or raised)

Thermal outerwear with buttons and flat collars (not long underwear)

Fleece with a collar that is flat or like a dress shirt

Any school issued spirit wear

Pants – Students may wear pants **without** promotional slogans, large letters, large numbers, pictures, advertisements or sports team logos. Boys are to wear pants that are not spandex or overly tight or form fitting. Examples of acceptable pants are dress, Dockers-style, and corduroys. The pants are to be the traditional pocket-type but may have side pockets. No underclothing is to be visible due to sagging or low cut pants.

Shoes – Boys may wear athletic shoes, dress shoes, or clogs. Shoes with laces should be tied and not loose or sloppy on the foot. All other shoes are not considered dress code.

Sweatshirts – Boys may wear school issued sweatshirts (Team or Spirit Wear) or any other kind of sweatshirt without writing or that has only a miniature logo. Sweatshirts can be pullovers, hoodies, or those that zip up the front.

Sweaters – Boys may wear sweaters with or without designs, with or without buttons.

Jackson Christian Elementary is pleased to offer Reading Recovery for first grade children who are having difficulty with reading. Reading Recovery is a short-term intervention that supports classroom literacy instruction. Students, who are enrolled, receive individual lessons daily with a specially trained teacher. Reading Recovery is a research-based program that serves children internationally. Contact the elementary office for further information regarding Reading Recovery.

Students must show adequate advancement in reading, language, math, and science in order to be promoted to the next grade. This determination will be made by the teacher and Principal, and will be final. Consultation with parents will be scheduled as soon as significant difficulties are identified.

Academic Probation

A student who fails two or more major subjects in a marking period will be placed on academic probation for the next marking period. During this time, the student may not participate in any extra-curricular activity.

Academic probation is a serious situation for the student. School time should be entirely used for study so that grades will improve to a passing level. Students who continue to fail two or more subjects at the end of the probation period may be asked to receive "special tutoring" or other help, either within or outside JCS. In some cases, students may be asked to withdraw from the school.
