Kingdom Kids Preschool Classes

Kingdom Kids Preschool has enjoyed a long-standing and well-earned reputation for preparing little ones for a great start in school. Our goal is to provide a fun, interactive environment to develop a lifelong love of learning. Our preschool teachers have special training in early childhood education. Kingdom Kids offers two programs for specific age groups.

Preschool for Three's and Younger Fours

Children whose 3rd birthday is prior to September 1st are eligible for this program. Children love to touch, which means their classroom is filled with materials to help develop their small and large muscles. Our daily emphasis on language development builds new vocabulary and their new words are then put to use as they "dress-up" for dramatic play, create artwork, or retell the day's story. Children must be fully potty trained before entering the program.

Begindergarten for Older Fours and Younger Fives

Four year olds who are ready for a little bit more Kindergarten readiness and young five year olds who aren't quite ready for the big step into kindergarten. Begindergarten is academically focused on the essentials of kindergarten readiness at just the right pace. Student's knowledge builds throughout the year as they mature and become ready for kindergarten success. Focus is also on social and emotional learning for a balanced preschool experience! Children must be fully potty trained before entering the program.

Afternoon Daycare

Children who are enrolled in Preschool or Begindergarten may experience this "all day" option.

Students who stay the day will enjoy having lunch in our classroom, spending more social time with others, and then having a quiet "rest time". Students rest for a short period of time, and then are able to do quiet activities while their classmates finish sleeping. Center time with crafts, art, story time, recess and snack time complete the afternoon experience.

Parents may choose which days of the week their child will attend daycare, to best meet their family's needs. However, enrollment must be the same days each week. Drop in days may be allowed with prior approval from the Preschool Director if space is available.

After school care is also available for an additional fee.

Parents may select:

Monday, Wednesday, Friday (or) Tuesday &Thursday (or) All Five Days
